

DIVINE DESIGN DISCIPLESHIP

Here are a few things that will help you know what to expect at DDD this year:

- Join us at Tuesday mornings from 10 to 11:15 a.m. for Worship and the Word.
- Worship will be a big part of our focus and will begin with a time of instruction by Kathy. Please don't miss this opportunity to connect with the Lord and to strengthen some spiritual muscles that are underdeveloped in most of us.
- Our teaching theme is "Beholding Jesus." Martha and I plan to share some exciting insights from the book of John and offer some special "listening prayer" moments.
- Small Groups meet from 11:15 to 12:00 for the purpose of mentoring, fellowship and prayer. Existing groups will start back on the first day of class. For new women who want to join a Small Group, placement forms will be accepted until Tuesday, Oct 2nd. For those who don't join a group (and for visitors), Kathy will be available for sharing and prayer during group time.
- This year there will be no physical supplies or class fees. We will provide hard copies of the handouts in class each week. Our praise music selections for this teaching series can be found on the "Playlist" tab of our website at www.divinedesigndiscipleship.com.
- Audio recordings of the lesson and accompanying handouts will be available at www.divinedesigndiscipleship.com. Our website is undergoing several significant changes. There will be no more fees or passwords required to access any of the content.

Please prayerfully consider investing in Divine Design. We could use your help with any of the things listed below:

- Please share our website with your friends. We believe God is calling us to reach a wider audience through the World Wide Web and you are a big part of that outreach!
- Could you help by preparing praise lyrics in Power Point, running the slide show during praise time, staying late to clean up, drafting address lists, etc.?
- Consider contributing financially to the costs of this ministry. Your gifts will allow us to maintain and upgrade our equipment and website. Make checks payable to "Divine Design" or use the website to donate by PayPal or credit card.

Feel free to contact any of our leaders with your questions and input:
