

Divine Design Discipleship

Placement Questionnaire 2013-2014

Name: _____

Date: _____

*We have two different participation levels available for you after the teaching hour. Divine Design **Small Groups** are designed to provide a place where members can explore the biblical concepts covered in class at a greater depth while receiving the benefits of a spiritual mentor and companions. If you choose to participate in a Small Group, we ask that you complete the weekly worksheet. Group members are asked to keep confidential all that is shared and to come with a committed and vulnerable heart.*

*The other available option is "**Non-group**." This offers you the opportunity to share and receive prayer as you wish, without the homework or depth of commitment of our regular small groups. You are invited to participate in Non-group any and every week if you check below that you **WILL NOT** be participating in small group.*
